

GOSPEL HEALTH

REPORT

LEADER'S FOLLOW-UP GUIDE

OUR BIBLICAL BASIS

- **Read 1 Cor. 12:12-26** together.
- In the context of Paul's illustration, the whole Body of Christ here at our church is only as healthy and strong together as each one of us as members are healthy and strong. Growing stronger together for the Great Commission is the biblical basis and goal of gospel health.

OUR MUTUAL OBJECTIVES

- Mutually discern causes of report outcomes
- Mutually identify strengths and weaknesses
- Mutually determine next steps of discipleship

YOUR GOSPEL HEALTH REPORT

- **Read page 4** together (Understanding Gospel Health, Reviewing Your Results)
- **Read page 5** together (Your Overall Gospel Health Summary) and consider:

At first look, what about your gospel health summary is **encouraging**?

At first look, what about your gospel health summary is **surprising**?

DEEPER DISCIPLESHIP DISCUSSION

*Choose **4** specific gospel health categories for deeper discussion:

- **2** categories that they perceive as **Possible Strength/Strength**, and
- **2** categories they perceive as **Possible Growth/Growth**

*It is strongly recommended that the 2 categories of “The Gospel” and “Evangelism” always be discussed based on their specific outcomes. The 2 other categories discussed could be among those specific to their passion, gifting, and ministry at the church.

Suggested questions for **Possible Strength/Strength** categories:

- Does this outcome seem consistent with your week to week walk with the Lord?
 - Could you share a couple personal examples of how you practice this category?
 - How are you using this particular strength to better serve the body of Christ?
 - In addition to (these) resource suggestions, how could we as leaders equip you to grow even stronger in this category?
 - Would you be confident discipling someone else to grow in this category?
-

Suggested questions for **Possible Growth/Growth** categories:

- Does this outcome seem consistent with your week to week walk with the Lord?
 - Is this a category of Christian life that you’d like to grow stronger in?
 - What’s your number one hang-up from growing in this category?
 - As your leaders, we’d love to invest in you by giving you (this) resource suggestion for deeper discipleship discussion.
 - Do you have any other suggestions for how could we as leaders could equip you to grow stronger in this category?
-
